### LET EVERY DEMOCRAT VOTE

Every Democrat who had a voice in the primary election will be entitled to a vote in the regular election to be held Nov. 4, and every member of the party who participated in the election is in honor bound to support the nominees. Every arrangement should be made to go to the polls early on election day, and cast your vote for the choice of the majority of the party whose election was won fairly and squarely.

All that is necessary for the success of the party is for every Democrat to put his shoulder to the wheel on the day of the election and by his vote assure the success of the Democratic candidates. The defeat of any of the candidates will be construed as a rebuke to our brilliant President, Woodrow Wilson, and the Democratic members of both branches of Congress.

The Republicans, who would be unable to win without assistance from the Democrats, are using their usual tactics to dissuade the Democrats from supporting the Democratic nominees, but it is a well-grounded opinion that they will be lacking many votes when the final count is made. There is nothing so admirable in a Democrat as to have him lay aside any personal feeling and cast his vote for the interest of the choice of the people and his party. In this day of political strife we are to combat with the common enemy and loyalty to the cause of Democracy is a most commendable trait in the party following.

A glance at the list of assistants to Chairman W. G. McClintock clearly demonstrates that men have been selected to run the campaign who will be found in the thickest of the fray. Lend assistance by casting your vote for the straight Democratic ticket.

### CONGRESS BEE BUZZING IN HAMLETT'S HAT.

Superintendent of Public Instruction Barksdale Hamlett returned to Frankfort, Tuesday, from a trip in the Second District, and while he declined to commit himself on the subject of entering the race for the Democratic nomination for Congress in that district, he said:

"I was importuned by a great many people to enter the race after the announcement of Congressman Stanley from Washington that he will not be a candidate again."

It is said that the race for the nomination to succeed Stanley is practically made up with the exception of a candidate from Christian, and Superintendent Hamlett is expected to announce definitely his intentions soon after the November election.

Judge Henson, of Henderson, and David Kincheol, of Madisonville, are the only avowed candidate so far.

### JAMES INDORSES HUGHES FOR COLLECTOR IN EIGHTH

Senator Ollie M. James recommended John W. Hughes, of Harrodsburg, to be Collector of Internal Revenue in the Eighth Kentucky district. An appointment to fill this office is expected some time this week. Assistant Secretary of War Breckinridge and members of the Kentucky Wilson League are demanding that the President ask Senator James to change his indorsement of Hughes and name an original Wilson man for the place.

If President Wilson takes such a step and the Senator consents it is likely the Senator would then recommend Kendrick Alcorn, of Stanford. But it is not thought that the President will take such a step.

Senator James, while admitting he had made an indorsement, would not give the name of his choice, but the above facts were learned from the Treasury Department sources.

In selecting Judge Hughes from the two score candidates for the place, Mr. James, according to well-informed politicians, has found a satisfactory solution of the Collectors' tangle. Throughout the contest localities have figured largely.

The Eleventh Congressional district candidate was decided against because it seemed more important to the Democratic party, from the Senator's viewpoint.

### 10 CENT "CASCARETS" STRAIGHTEN YOU UP.

When Headachy, Bilious, Constipated Stomach Sour, Breath Bad.

Get a ten-cent box now. Turn the rascals out—the headache dillousness, indigestion, the sick, sour stomach and foul gases—turn them out tonight and keep them out with Cascarets.

Millions of men and women take a Cascaret now and then and ever know the misery caused by a lazy liver, clogged bowels or an upset stomach.

Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; take the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel straight.

A Cascaret tonight straightens you out by morning. They work while you sleep. A ten-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.

### WOULD LEGISLATE FISCAL COURT OUT OF OFFICE.

In the report made by the Scott county grand jury Tuesday afternoon it recommended the abolition of the Fiscal Court and advised a change of the entire fiscal system. This, the report says, is the opinion of the members of the Fiscal Court itself.

The grand jury suggests a bond issue for the purpose of rebuilding Scott county roads and urges the necessity of immediate action in regard to the handling of the county affairs.

## STOCK AND FARM NOTES

Thomas N. Coons, of Montgomery county, sold to Roy Byrd his farm of ninety-nine acres and improvements in that county, for \$170 a acre.

Hazel Dawn, owned by Matlack & Shropshire, of Winchester, won all the premiums at the Kansas City Horse Show this week.

"The day was the worst ever; snowing, raining and cold. It was so bad that we left the pens after a short stay, the first time we have shirked in twenty years."

Trade was brisk and prices strong, the best 1,000-lb steers going \$7, with lighter steers at \$6.25 to \$6.75. Heifers at 5 to 5 1/2 c., with some fat ones at 6c., cows at \$4 to \$5, bulls at 5 1/2 c., old cows and rough oxen at \$2.75 to \$4."

### LIVES OF EX-PARISIANS MENACED BY EXPLOSIONS.

A letter received by relatives of Mr. and Mrs. W. G. Swearingen, of Carthage, O., formerly of this city, tells of the narrow escape of the members of the family from an explosion of dynamite which wrecked a portion of a new steel bridge which was being built in that city. A large force of men were employed in the construction of the steel work, and from some unknown cause two of the number were discharged, and, according to the letter, the discharged workmen went to the bridge a few nights later and placed large quantities of dynamite in several places along the bridge. The explosion which followed wrecked the bridge, and the force was felt all over the town. Mr. Swearingen's house was about a square from the scene of the explosion, and was badly damaged by falling debris. Luckily the inmates escaped without injury.

The price of furs averages three and one-half times as much now in the big Canadian markets as it did in the decade from 1890 to 1900.
